First, congratulations to Joshua Fuller on his re-election and Elizabeth Tricoche on her election to the Town Council. Both will serve our Town with distinction for the next four years. I would also like to thank my colleagues on the Council...Stephanie, Bob, Isaac, Josh and Elizabeth for selecting me as our Mayor, and Stephanie as Vice Mayor, for a second year. It is an honor to serve and not something I take for granted.

On a sad note, our deepest condolences go out to the family of Council Member Doris Marano, who passed away on Tuesday, April 5<sup>th</sup>. At my direction, the flags at Town Hall were flown at half-staff for one week in respect for the passing of a sitting Member of our Council. The family has asked that any donations be made in her name to St. Jude Children's Research Hospital. In honor of her final wish, the Town has made a donation of \$1,000.

In addition to the Town's donation, thank you to Vice Mayor Bruder for matching my donation of \$180 at our last Council Meeting to such a worthy cause.

St. Jude's is one of the most recognized and respected research hospitals for children with eight locations within the United States. St. Jude's is best known for their motto of founder Danny Thomas; that "no child is denied treatment based on race, religion or a family's ability to pay." Anyone who has ever had or known the family of a sick child knows the difficulties that comes with such an event.

The concept of being able to focus only on getting better is almost a foreign concept in today's healthcare system. For a child, it should be the standard. St. Jude's not only provides treatment for brain tumors, leukemia and a laundry list of other diseases, but also provides life-saving clinical trials...all with no cost "for treatment, travel, housing or food." I encourage anyone who can to make a donation to St. Jude's. Donations can be made...

# Town Mourns Loss of Council Member Doris Marano

Although Doris Marano served only one term on the Town Council, she is remembered for her love of Bay Harbor Islands and her passionate dedication to serving the residents of the Town. She passed away on April 5.

She had lived in Bay Harbor Islands for 23 years. Her volunteerism led her to serve on the Town's Design and Review

Committee, Environmental Committee and the Parks and Recreation Committee. While her son Jesse was a student, she volunteered at Ruth K. Broad Bay Harbor K-8 Center.

She worked as a legal secretary and had been the owner of a art gallery. She had a strong connection with the arts, opera and live theater.

Donations in her memory should be made to St. Jude Children's Research Hospital, [www.stjude.org](http://www.stjude.org). Address is 501 St. Jude Place, Memphis, TN 38105 or call (800) 805-5856.

## BHI Bulk Waste Pickup Guidelines

Every Thursday is Bulk Trash Pick-up day in Bay Harbor Islands. Bulk items should be placed curbside by the end of the day on Wednesday. Do not place items prior to Wednesday or you may be cited for a code violation. If you live in a condo or apartment - please place your bulk items in the area designated by your building for this purpose. **Most importantly, never park close to or in front of the bulk pick-up area or the items will not be collected (see at right).**

Acceptable items for Bulk Pick-up are large, bulky, household items, too large for your 95-gallon containers such as mattresses, furniture and appliances. Always remove the doors from refrigerators and stoves. If disposing of furniture items containing glass shelves or insets - first remove the glass, break it into pieces, and put the glass in a box sealed securely with tape. The box should be clearly labeled as containing glass.

Unacceptable items include: glass doors and mirrors, appliances with freon, computers, tires, batteries, pesticides, flammable liquids (gas, turpentine, etc.), Propane/gas cylinders, oil, paint, 55-gallon drums, medical waste, asbestos material, fluorescent bulbs and/or ballasts, contaminated soil or any hazardous waste-liquid, construction material, loose yard debris. If you are unsure, please call Town Hall first at 305-866-6241.

*The photos below are examples of bulk items that will NOT be picked up. Construction debris and loose yard debris (bottom photos) are not acceptable. In all of the examples, the bulk items could not be picked up because a car has parked too close to the items, making them inaccessible.*

## Taking the Bite Out of Mosquitoes!

*Bay Harbor Islands residents are the first line of defense against mosquito bites. With the warm and wet spring season right around the corner, residents should prepare by eliminating breeding areas and protecting themselves from potentially serious mosquito-borne illnesses.*

Did you know that mosquitoes can breed and multiply in as little as a teaspoon or bottle cap of water left standing for a week? Follow these simple drain and cover checks in your home and yard:

- Drain water from garbage cans, house gutters, pool covers, toys, flower pots or any container that has collected water from rain or sprinklers.
- Discard old tires, cans, pots, bottles, jars, appliances or other items not being used regularly.
- Empty and clean birdbaths and pet water bowls at least twice a week.
- In your garden, keep flower pots and saucers free from standing water from rain or sprinkles. Flush out water-holding plants such as bromeliads twice a week.
- Don't cover your boat or vehicle with a tarp that accumulates water.
- Maintain the correct chemical balance of your swimming pool and empty kiddie pools after use.

Visit the Town website for additional information, [www.bayharborislands.org](http://www.bayharborislands.org). Town Hall also has literature and other information regarding mosquito control.
