Joshua D. Fuller

Age: 46 **Spouse:** Lisa Fuller **Children:** Mandy, 14 Alexa, 12 Ryan, 7

Educational Background: Bachelor of Science in Finance from the University of Florida Juris Doctorate from Cornell Law School

Professional/Occupational Information: I am an attorney with a practice concentrating on representing workers improperly terminated from their jobs.

Resident of South Florida: since birth. **Resident of Bay Harbor Islands since** 2003.

Hobbies and Interests: I have three children, which means I won't have time for a hobby until they are all in college. I spend as much time with my kids as possible.

Future goals for Bay Harbor Islands: Since my first day on the council, I have taken the lead to increase and improve services, add parks, create cultural venues and protect our quality of life. I originated and guided the development of the new park next to the community center, as well as the concert series at that venue. That park now also serves as the home for our movies on the lawn and annual town picnic. As a council member, I also supported the construction of the community center, establishment of the public library and helped create the language courses we now offer residents. I have also worked hard in Tallahassee to bring state dollars into our city to help pay for these services so that our tax rate remains low. Most recently, I took the lead to successfully prevent the FAA from creating a new flight plan directly over our town. If elected to serve the Town again, my goals include providing residents a park with water-access, improving the dog parks, guiding the revitalization of Kane Concourse and ensuring our police force remains the finest in the state.

Any comments about Bay Harbor Islands: Bay Harbor Islands is our home, and our quality of life and small-town feel must be preserved. I have made it a point to always be available to any citizen who wanted to discuss any issue, regardless of whether or not we shared the same point of view. That is essential for good government, and demonstrates what makes our home so special, friends and neighbors all working together to make this town an amazing community.

2020 TOWN ELECTION PROFILES

Roger Santana

Age: 58 **Spouse:** Maria Santana **Children:** Vivian 26 and Daniel, 16

Educational Background: Law School - Brazil

Professional/Occupational Information: President of Pectrade

Resident of South Florida since: 2005

Resident of Bay Harbor Islands since: 2015

Hobbies and Interests: Kayaking, boating, fishing

Future Goals for BHI: A more secure environment for our kids and residents in general ... especially for pedestrians.

Any Comments about BHI: Bay Harbor Islands is a little paradise that many people do not know about it ... I want to keep it as it is ... a paradise!

Elizabeth Tricoche

Age: 37 **Spouse:** Danny Tricoche **Children:** Jacob and Luca, twins age 9

Educational Background:

Bachelor's in Business, Minor in Healthcare from Colorado State University
Currently completing a Master's in Business Administration with a Concentration in Data Analytics from Louisiana State University.

Certifications in: Financial Analysis, Reporting, and Auditing Applied Strategic Management Applied Strategic Organizational Leadership

Professional/Occupational Information: As Director of Client Partnership at several national medical billing companies, I have assisted hundreds of facilities across the United States in creating, scaling, and maximizing their businesses by

utilizing ethical practices and advanced business analytics. I also have developed and now operate a local, family-oriented, small business.

Resident of South Florida since: 2004

Resident of Bay Harbor Islands since: 2010

Future Goals for BHI: I want to thank the residents for the opportunity to serve first as the Chair of Parks and Recreation and then as Council Member. This town and community are important to me. I seek to serve you through every item I put forth and every vote I cast. If re-elected, I will continue to pursue opportunities to add and improve park space throughout the town. I am interested in sponsoring mindfulness/tapping courses, Big Truck Events, dog parties in the parks, dog training classes, book drives, and town forums. I want to see through the addition of a Life Skills Course for teenagers, 96th street paddleboard/kayak park, anti-bullying and gender orientation training for the entire town staff and an open seminar for citizens, specialty camps (STEAM, soccer, etc,) and the redesign of the dog parks.

Any Comments about BHI: Bay Harbor Islands is first and foremost a neighborhood. All I have done during my time of service has been in line with keeping the neighborhood spirit. I have consistently voted to increase services and spaces to bring the community together. During the early stages of COVID-19, I supported the immediate closure and cleaning of town facilities as well as the creation of an 800 number to assist food-insecure residents in locating assistance. As COVID closures prolonged, I personally delivered food to individuals with food allergies, called at-risk neighbors, and worked to find financial assistance for those in need. If re-elected, I will continue to make myself available to citizens at their point of need and consciously try to employ meaningful solutions to current and future challenges.
